To whom it may concern

Re: External moderation of STSM3744

This module is well constructed and aligned to optimize the learning environment in an online format of delivery.

The tests are well compiled and by submitting the scripts in a report format, essential skills needed in the professional working environment are developed.

In-depth analysis of times series analysis is covered and the outcomes are aligned with the assessment and content.

Regards

Janet van Niekerk

A handwritten signature in black ink, appearing to read 'Janet van Niekerk'.
